A Note from Ron Nolen, Pastor

Dr. David Jeremiah, in a Today's Turning Point, wrote of a need to follow a pattern. He wrote,

"A highly skilled tailor can use a tape measure alone to determine the shape of a new garment. But most people require a pattern: lay the pattern on top of the cloth and cut where indicated. By following the pattern, an exact copy of a desired garment is attained...The apostle Paul encouraged the Philippians to follow his and the other apostle's "pattern" since he followed the pattern of Christ."

"It is said that the original meaning of "Christian" was "little Christ," or "Christ-one." When people look at you, do they see a type of Jesus – not in terms of perfection, but in terms of priorities, values and commitment to the kingdom of God?"

That's the challenge before us. What do people see when they see us? I want to encourage you to look closely at your priorities, values and commitment to the kingdom of God. If we are going to make an impact for the kingdom, people must see Christ in us.

Ron

Our deepest sympathy is extended to Joan Guthrie and family in the death of Mr. Bill.

Our deepest sympathy is extended to Mike and Mary Kaisler in the death of Mike's brother Rick Kaisler who passed away Wednesday, March 25. Rick lived in Springfield, Missouri.

Thank you. Dear Wonderful Church family: Thank you so much for your prayers and kind words. You are such a blessing!@ I don't know what I would do without you. I praise God for you. During a time like this we realize how much our friends and relatives and church family really mean to us.... Your expression of sympathy will always be remembered.

Love, Joni
