

JULY 17, 2016 SERMON NOTES

What is faith?

Hebrews 11:1-3

I. Faith.

A. What is faith?

¹Now faith is the assurance of things hoped for, the conviction of things not seen.

1. Faith is not...

2. _____ is the object of our faith.

3. The Christian hope is belief in God against the _____, belief in both _____, _____, and the _____.

B. What is the benefit?

²For by it the men of old gained approval.

1. God's _____.

2. Faith is how we _____ God through Christ.

C. Faith is evident when we believe God _____.

³By faith we understand that the worlds were prepared by the word of God, so that what is seen was not made out of things which are visible.

1. The basic understanding of faith is that God made the _____.

2. The 2nd part is that God created the world _____.
