We will continue in our study of biblical doctrines, focusing on the doctrines of man and sin. The study will include, what does or doesn't the Bible say about evolution, man's composition, and what the 24 hour days in the creation account tell us. What does the Bible say about sin? What is "original sin?" How is it transmitted to each of us. We hope you will join us as we search out these and other questions. *For more information, please contact Lee Dunbar.*
