

**February 16, 2020 SERMON NOTES**  
**Benefits of Salvation**  
*Romans 5:1-11*

**I. What are the benefits of salvation?**

A. Presently, we have \_\_\_\_\_ with God (5:10; 1-5).

We are justified with God through \_\_\_\_\_.

Faith comprised two elements: \_\_\_\_\_ and \_\_\_\_\_.

Jesus ushers us into the \_\_\_\_\_.

*Hebrews 7: 25 Therefore He is able also to save forever those who draw near to God through Him, since He always lives to make intercession for them.*

God allows \_\_\_\_\_ in our lives to produce character.

B. In the past we were \_\_\_\_\_ to change our position with God (5:6-8).

C. In the future Christians will not experience God's \_\_\_\_\_ (5:9-11).

**Revelation 4:** *"Worthy are You, our Lord and our God, to receive glory and honor and power; for You created all things, and because of Your will they existed, and were created."*
